Ship to Gaza Sweden rejects anti-jewish statement.

Pressmeddelande Skapad 19/7 2018 kl 19:13

Ship to Gaza Sweden wants to make it very clear that we don't stand behind the (later withdrawn) statement by Oldoz Javidi. It does not reflect the views and values of our initiative. We do not accept any anti-jewish positions in our struggle to lift the Israeli siege on Gaza. We reject all anti-semitism and other forms of racism. It is only through uniting regardless of nationality or religious identity we will be able to reach our goal: an end to the illegal blockade on Gaza.
